### **Lenten Worship**

From now until Easter Sunday, we worship together using the beautiful music of Holden Evening Prayers and hearing congregational friends reflect on the question: "How am I being changed right now?" If you would like to share a reflection on this question, please talk to Pastor Phil.

### **MN FoodShare Campaign**

A grassroots food and fund drive, the Minnesota FoodShare March Campaign is the only statewide effort where every dollar donated goes directly to food shelves to purchase food for the hungry. For 35 years, Minnesota FoodShare has partnered with faith communities, schools, businesses and community groups to restock food shelves each March. In 2018, The March Campaign raised \$8.1 million and 5.5 million pounds of food, ensuring thousands of Minnesotans were fed. Edgcumbe Presbyterian Church is joining that effort once again and collecting food and cash donations for our local food shelf, Neighborhood House's Francis Basket. Donations of non-perishable food can be placed on and around the food shelf in the Narthex, and cash donations can be made out to EPC with "food shelf" in the memo line and placed in the offering.
